## The Charleston Regional Chamber of Commerce

Today marks the 55th day of the Legislative Session.

This is the last week of the 2019 Session, officially ending this Saturday at midnight.

This is an example list of bills of interest, not meant to be exclusive. We try to highlight bills of interest that are “on the move.” Please reach out if there are bills you think we should investigate and track.

Here is a link to the issues the Charleston Regional Chamber supports: <https://charlestonwvchamber.com/whitepapers/>

**HB 2519 - The Campus Self Defense Act** - which would allow concealed weapons on college campuses, remains a concern to the Chamber. The bill passed the House and has been double-referenced to the Senate Judiciary and Finance committees. The Chamber is opposed to this legislation. You can read the Chamber's release [HERE](#).

Several bills appear to be on a fast track, including:

**SB 1 – Increasing Access to Career Education and Workforce Training** – Is the “Last Dollar In” commitment by the State to make post-secondary education available to more students through a grant process two pay for two additional years of college, community college or vocational training. The bill has completed the committee process in the House and will be taken up on the House floor.

HB 2392 – Allowing the Alcohol Beverage Control Commission to Issue Special One-Day Licenses for Charitable Events – This bill allows licensed brew pubs, bars and private clubs to offer samples of beer. This is important due to the increasing interest in craft beer sales, which the Chamber supports. The bill passed the House and is referenced to Senate Judiciary. [http://www.wvlegislature.gov/Bill\\_Status/bills\\_history.cfm?INPUT=2392&year=2019&sessiontype=RS](http://www.wvlegislature.gov/Bill_Status/bills_history.cfm?INPUT=2392&year=2019&sessiontype=RS)

This bill is currently in the House committee process. [http://www.wvlegislature.gov/Bill\\_Status/bills\\_history.cfm?INPUT=117&year=2019&sessiontype=RS](http://www.wvlegislature.gov/Bill_Status/bills_history.cfm?INPUT=117&year=2019&sessiontype=RS)

SB 266 – Creating Intermediate Court of Appeals and WV Appellate Review Organization Act of 2019 – This bill is currently in the House committee process. HB 2005 – Broadband Expansion Act of 2019 – provides a method for valuation of certain wireless technology property for tax purposes, give the Public Service Commission jurisdiction over make-ready pole access within the State, and establish the WV Small Wireless Facilities Deployment Act, all to expand access to broadband within the State. The bill passed the House and was assigned to the Senate Government Organization Committee with a second reference to Finance. [http://www.wvlegislature.gov/Bill\\_Status/bills\\_history.cfm?INPUT=2005&year=2019&sessiontype=RS](http://www.wvlegislature.gov/Bill_Status/bills_history.cfm?INPUT=2005&year=2019&sessiontype=RS)

HB 2038 – Relating to the Procedure to Determine if an Occupation or Profession Should be Regulated – the bill provides that any proposed legislative act to create a new statutory regulatory board is prohibited if 25 states do not have the same or similar regulation unless justifiable cause can be shown. The bill also calls for a review of current boards to determine if they meet the threshold. The Chamber has long supported regulatory board reform and sees this as a step in the right direction. The bill has passed the House and is currently in the Senate committee process. [http://www.wvlegislature.gov/Bill\\_Status/bills\\_history.cfm?INPUT=2038&year=2019&sessiontype=RS](http://www.wvlegislature.gov/Bill_Status/bills_history.cfm?INPUT=2038&year=2019&sessiontype=RS)

HJR 17 – Business Inventory, Machinery and Equipment Tax Exemption Amendment – If passed, this would place a constitutional amendment question to the voters of West Virginia as to whether the business inventory tax should be removed from the Constitution and be left to general law. The Chamber continues to support this effort, but remains concerned about the impact to local

government. The resolution passed House Finance and is second referenced to Judiciary.
